Mayberry Wins At Natural Bridge

Forty-five stock car drivers from throughout the Shenandoah Valley appeared at Natural Bridge Speedway Sunday for Father's Day racing but only three could take home the wins. The day was made an extra special one for three fathers . . . Tom Bare of Brownsburg in Modified competition, Allen Mayberry of Appomattox in Sportsman, and Eddie Stalnaker of Natural Bridge in Fender Bender.

The busiest people on the track appeared to be Head Flagman, David Repass of Appomattox, and various pit crews, especially those in Sportsman racing. Eighteen Sportsman timed for the fastest trials to lead the pack. The 30 laps appeared from the stands to be the best in dirt stock racing with all the spin outs, pile-ups, broad siding, and bumper to bumper racing that entails. One after another virtually half of the entire field was involved in either a spin out or a pile up.

The trend was started on the second lap with Mayberry in the lead followed by Cole, Don Hart of Rockbridge Baths, Forest Halterman of Staunton, Vernon Alphin of Goshen, Gene Marshal of Vernona, Wayne Farrish of Craigsville all battling for position in neck to neck racing. Ronald Snoddy of Charlottesville went into a tail spin on the third lap, got his vehicle under control only to find the yellow thrown for Marshal who had spun out on the #4 turn.

Another yellow flag was thrown in the 7th lap for Bill Rice, of Charlottesville. With the green Hart jumped into second position around Cole as Halterman went high on the #2 turn and lost from fifth to ninth position. Wallace Prefitt went off the track on the #4 turn but regained control just following the throw of the yellow.

Midway through the race Mayberry continued to hold on the lead with Cole mashing his throttle to the floor in an attempt to get around Hart. Wayne Farrish of Craigsville while riding went into the fence and brought another response from the flagman. When racing resumed seven of the frontrunners behind Mayberry and Hart collided into a pile up but all were able to get back in competition.

Mayberry held his slight lead until the end of the race with the next eight drivers finishing in the same lap with him including Hart, Kehrer, Halterman, Cole, Farrish, Frank Tankersley of Churchville, Prefitt, Alphin. Snoddy finished in 10th one lap out.

All three will serve as delegates to the convention and also will be competing in the State FFA Dairy Judging Contest.

Like all else and water, camping and dieting doesn't mix, right? Wrong! With a few precaution taken, and a certain amount of planning, the dieter can breeze through the camping season without gaining a single pound. Here are a few tips: use tin foil pans to keep use of fats at a minimum; carry along low-calorie, low-fat items; pack a supply of low-calorie sodas and cans of fruit juice; avoid "trash" foods such as potato chips, and rely on fruits and vegetables, bought fresh at roadside stands along the way; always stop to eat before becoming overtired so as to avoid the temptation of preparing quick, fattening meals; when eating meals away from camp, take time to study menus before ordering - try to order as many low-calorie foods as possible; instead of nibbling on snacks, take hikes, go swimming, play games with the children, visit points of interest in the area, or how about trying to get to know the other campers? By being a little resourceful, camping should offer ideal circumstances for the dieter!

At the June 9 TOPS meeting, Co-leader Nancy Jamerson led the members in an animated discussion on the problems facing the dieter. One member suggested a refreshing drink for the summer, a low-calorie Slurpee. Simply place some ice cubes and a fruit flavored diet soda in the blender, adding ice cubes as needed to make a thick, icy beverage. Pour into chilled glasses, and happy slurping!

At the June 16 meeting, Louise Saunders presented a very interesting program. Louise said that TOPS members were trying to break the pounds barrier, and that TOPS was the one place that a person could go to lose and be a winner! Louise and the other members were pleased to learn that TOPS members had lost a total of 45½ pounds, with only a 3½ pound gain! Let's try to have a no-gain week, girls!

TOPS DID YOU KNOW DEPARTMENT: did you know that it is illegal to munch on peanuts in church in Massachusetts or that it is illegal to drink coffee after 6 p.m. if you're a young woman in Corvallis, Oregon? Don't know if that has a moral for dieters, but thought it was interesting!

The next TOPS meeting will be June 23, at the FARMERS NATIONAL BANK in the Triangle Plaza, with weigh-in beginning at 6:30 p.m. Have a good week!
